EXPERIENCE

GET SMARTER, Cape Town, South Africa
Intern Web Developer, July 2016

Developed an internal, custom built announcement board for employees, together with a 'know your employees' page, in AngularJs.

FREELANCER, Cape Town, South Africa
Web Developer & Legal Consultant, 2015 – present

Providing legal advice and services to various start-up tech companies, assisting in drafting and vetting of agreements and pointing out risk.

Build simple websites for small businesses.

Moved to freelance in order to manage my time better to focus on the improvement of my programming skills.

LET'S SELL LOBSTER, Cape Town, South Africa
Company Lawyer, 2015

Provide legal advice, negotiating, drafting and vetting agreements up to the value of R90 million and pointing out business risks from a legal perspective to the multi-national edu-tech company.

MACGREGOR STANFORD KRUGER INC., Cape Town, South Africa
Litigation Associate, 2013 – 2015

Independently driving commercial litigious matters, ranging between Magistrate's to Supreme Court of Appeal. Attending to trials, drafting affidavits, pleadings, heads of argument. Client consultations, witness preparation and reporting to clients.
